SCHOLASTIC BOOK FAIR PARADE TO KICK OFF THE WEEK. STUDENT ACTORS INCLUDED MYRIA GRIFFITHS, AURORA HEUER, BRYANT CROUSE, BRIAR KISIEL-JOHNSON, ASHLYN OURTH

## SCHOLASTIC BOOK FAIR IS HUGE SUCCESS!

A huge thank you goes out to everyone who supported our annual Scholastic Book Fair! It was another smashing success. We also appreciate all the hard work of our student and parent volunteers. We really couldn't have done it without them!

If you didn't have a chance to visit the fair at school, the online fair is open until Friday 10/28. Go to [scholastic.com/schoolbookfairs](http://scholastic.com/schoolbookfairs) and use the pull-down menu to access Park's fair. Everything purchased online will ship for free to Park School after the fair closes. All online purchases benefit Park Library.

## Attendance/Tardy Policies

Whenever your child is absent, we need a phone call or written note justifying the absence. Otherwise the absence will be considered unverified. A tardy after the first forty-five minutes of the day will be considered a half-day absence. Parents should sign the child in for a tardy.

### New Playground Rules

Our 4th/5th graders and our behavior team have created the following rules for the new playground equipment.

1. Treat others as you would like to be treated by them.
2. Play on exterior of the big rock, not under it.
3. Play tag on the gravel and dirt areas to avoid collisions.

4. Climb down from the spider web, rather than sliding or jumping off.
5. One or two at a time on a tornado, counting to 30 for one turn.

Register by Oct. 19 at Casper Rec. Center. If you are interested in coaching, please let me know and/or let the rec center know.

### NCHS Marching Band Visits Park School

Last Thursday morning, the NC band performed for us on our playground before school started. Then they went inside and did small clinics with our beginning band students. Thanks to Miss Adams for arranging this. We loved listening to them and learning from them!

### Giant Traveling Map of North America Also Visits Park School.

We had a giant map of North America in our gym for PE classes. Students played Simon Says to find various cities, states and geographic features.
