## PAWS Testing Begins

The annual state PAWS (Proficiency Assessment for Wyoming Students) Test begins this week and continues through the first week in April. All students in grades 3-6 will be testing in the areas of math, writing and reading. Portions of the test are completed online and others are paper/pencil. You can help your child to perform to his/her best by getting a good night's rest, having a healthy breakfast and by getting to school on time each day. Please schedule appointments outside of the regular school day during PAWS testing.

**Park School Family Book Group**  
**The Park School Family Book Group will be reading Mr. Popper's Penguins for the last book of the year. We will meet Tuesday, April 13th at 6:30 to discuss the book. The last meeting is a pizza party. New members are always welcome. Please let Mrs. Berchenbriter (Room 106) know if you plan to attend. Books are available in Room 106.**

## Math Carnival - March 25

Park School and our PTO will host a math carnival night on Thursday, Mar. 25 from 6:00 - 7:30. There will be math activities for all grade levels. The theme for the event will be "Spring Outdoor Activities." You will be given tickets just for showing up and for each activity completed during the evening. There also will be some "special" ticket opportunities. At the end of the evening, you can place your tickets into any of bins for the "big" prizes and we will draw out names. We will also have themed baskets from each classroom for silent auction. It's a great evening of fun for all! Please come and join us.

Park School will host another pancake breakfast for all students who have not had a discipline referral during the 3rd quarter. All children entitled to come to the breakfast will receive an invitation from the school. The breakfast will be held on Tuesday, Mar. 23 beginning at 7:30 a.m.

**Elementary Art Show**

The annual Elementary Art Show is currently being held at the Natrona County Public Library. The show will be open until April 9th with the opening reception on March 18th, 5:30 - 7:30 p.m.

This year Park's student artwork will be displayed together in one area. Our area is on the 2nd floor and there will be "Park" signs showing the way. The opening reception will have tables where students may sit and create their own work along with local featured artists who will be demonstrating different media. It is always a fun night for those who attend.

Please consider visiting during the Opening Night Celebration on March 18th or make a visit to the library during the month of March to celebrate your children's work! From Mrs. Matson
