

District Elementary Science Fair 2012

Dear Teachers:

Here is some important information for Science Fair.

The District (grades 4-5) Science Fair will run concurrently with the Junior (grades 6-8) Science Fair on February 4, 2012.

Registration forms need to be to me by January 28, 2012.

Set up is at Verda James on Friday Feb. 3th between 5:00 and 6:00 p.m. * (If students are unable to set up on Friday, please contact Michele by Feb. 2 to let her know they will need a later set up.)

Before judging begins displays will be checked for violations. If any are found, a note will be left with the display. Judges will not be deducting for violations. If you have any questions about the displays please visit the following web site.

<http://www.uwyo.edu/sciencefair/Display-and-Safety-Regulations.html>

Final registration and setup will be from 7:00 a.m. to 8:00 a.m. on Saturday Feb. 4th. Judging will begin at 8:30 and will continue until the judges have come to their decisions.

Written material accompanying each entry should include, at the least, 1) a statement of the hypothesis being tested, 2) a list of the equipment used, 3) an outline/description of the procedures used, 4) a statement of the data/information gathered, and 5) conclusions gathered through performance of the project.

Thanks again for your support, and good luck to everyone!

Sincerely,
Michele Wistisen
