

Our City Our Census Teacher Lesson Plan Contest

The Complete Count Committee and Natrona County School District are also hosting a contest for Elementary teachers. Submit an original lesson plan that focuses on the census – especially the benefits of returning the census – at an elementary appropriate level. The first place lesson plan will win a classroom pizza party and inflatable footballs for each of his/her students. The top three runners-up will receive census related temporary tattoos for each of his/her students.

- Lesson plans will become the property of the Complete Count Committee and Natrona County School District and may be included in online resources concerning the census.
- Entries must be the original work of the teacher and may not violate any copyright, trademarks, and other laws.
- Entries must be submitted digitally as a pdf formatted document.

Please submit your entries by March 24th to:
martha_karavitis@natronaschools.org
