Mr. Ashcraft and Señora García lead Christmas carols in English and Español before Christmas break.

Online Enrollment

If you have a child entering kindergarten, moving to 6th or 9th grade, you need to go online before January 31 and register your preference for which schools you would like your child to attend. Students with siblings at their first choice school will have preference for acceptance into that school. This preference only applies through the online

enrollment period. A neighborhood preference will also apply during this online enrollment period. More information can be found at www.natronaschools.org.

We did it!

Back in October, Park School, tried to help set a record number of jumping jacks within a 24 hour period. Recently, we learned that with thousands of other

children across the country, we helped break the existing record of 20, 425 with a new record of 300,265 children jumping from Oct. 11-Oct. 12 in 2011. Go to <http://kidsblogs.nationalgeographic.com/letsjump/> for more information.
